

Other Activities in the Global Village

The **Activities Area** will be open on Wednesday 16 August, 2006. This will be a participatory and interactive activities area that will include various activities including: Awareness through Education (hosted by the Youth Programme); visual arts related activities.

Wednesday 16 August, 2006

Time: 9:00 – 12:00

**Experience: Art
Against Stigma and
Discrimination**

Sexual Citizenship Project, School of Public Health: HIV stigma is a deeply entrenched, leading to social exclusions and vulnerability. This project is designed to channel the joint efforts of artists, social scientists, health providers and activists to produce creative artistic responses to the stigma attached to HIV and AIDS.

Country: Peru

Time: 13:00 – 14:00

**Wanna Play
Soccer?**

Grassroots Soccer: An interactive educational workshop to train participants to use fun and interactive soccer games to teach youth about important issues related to HIV/AIDS prevention.

Country: USA

Time: 14:30 – 17:00

**Our Positive Bodies
– Mapping Our
Treatment, Sharing
Our Choices**

Trust for Indigenous Culture and Health (TICAH) has been working with HIV+ women's groups in Kenya, India, Thailand and USA. Using methods of body mapping these women have been able to explore their experiences of health, wellbeing and treatment. In this performance the body maps will be exhibited and stories will be told of the women who created them.

Country: Kenya
